PS1

AUTOMATIC STAMPING PRESS

The PS1 Jewellery Stamping Press by Ciemmeo is a compact 5-ton automatic press designed for cutting and stamping end clips, quality tags, and other jewellery components from metal strips. It guarantees precise shaping and consistent quality for small metal parts and chain elements.

This jewellery stamping press automatically feeds a metal strip at adjustable pitch, cutting and stamping components such as tags or clips according to the die set installed. Different shapes and sizes can be easily produced by changing the die block.

MAIN FEATURES

Stamps cut outs from strip

5 Ton stamping power

28 mm max pitch
